## **Madame Walker Theatre Center participates in National Make a Difference Day with their own “Chairman’s Community Clean-Up Day”**

The Madame Walker Theatre Center is participating in the national Make a Difference day and will hold a Chairman’s Community Clean-Up on Saturday, October 23<sup>rd</sup>. The Walker seeks various teams to dedicate a few hours to beautify the grounds of the Walker as well as spaces inside the building.

"I've decided to have a day for the community to join us as we set the stage for new and exciting programs at the Walker. We will be sprucing up our space with fresh paint, new flowers and preparing our venue for the community to enjoy. Come take care of YOUR Walker anchored on Indiana Avenue on National Make-a-Difference Day." - Chris Barney, Chair of the Board at the Madame Walker Theatre Center.

IUPUI students have already formed a team as well as the Indianapolis chapter of Zeta Phi Beta, Northside New Era, the Indianapolis Chapter of Indiana Black Expo, Circle City Steppers, Buffalo Soldiers Motorcycle Club and BRIDGE, a student service group. Organizations can email [mjeffers@walkertheatre.com](mailto:mjeffers@walkertheatre.com) to sign up as a team. The Indiana Avenue Starbucks will caffeinate the helpers from 8am until noon on Saturday, October 23<sup>rd</sup>. Everyone will enjoy free breakfast and lunch as an appreciation for time and effort.
